#### Feifei

大家好，欢迎收听BBC英语教学的《地道英语》节目。我是冯菲菲，还有我的同事Rob。

#### Rob

Hi everyone. Oh, Feifei, what a lovely day it is today.

#### Feifei

What? It's raining. You seem to be in a good mood.

#### Rob

Yes, yes. I've done all my work and the boss has given me the rest of the day off... so I'm off now! Bye bye.

#### Feifei

Hold on Rob! Rob说他心情特别好的原因是下午不用上班，因为主编给他放半天假。Err, could you at least stay and present this programme?

#### Rob

Oh, OK then. There's no rush to go shopping and spend the bonus he's given me, is there?

#### Feifei

Oh come on Rob. This doesn't sound like our boss. You're telling me a barefaced lie。这明摆着就是个厚颜无耻的谎话。

#### Rob

Barefaced? No, this is my real hairy face – look!

#### Feifei

No, 单词 **barefaced** 的意思是无耻的，露骨的，毫不掩饰的，尤其用来形容某人脸皮厚，不知羞耻。Rob说主编给他放假，又给他发奖金，他是大言不惭地说谎话。Sorry Rob, I think you're lying but let's hear some more examples of this phrase.

### Examples

The company's claim that profits had jumped by ten per cent was obviously a barefaced lie.

John was at the pub last night bragging about his goal-scoring again – but we all know he's a barefaced liar.

### Feifei

我们可以用 barefaced 来形容一个人“脸皮厚，不知羞耻”。Come on, Rob, are you telling the truth?

### Rob

Oh well, no. I was doing it to show you how great I am.

### Feifei

Well, it didn't work and I'm going to show you my 'bear' face now.

### Rob

Wow! That's a real 'bear' face but at least you haven't got a beard – although if you did have one, maybe you'd look a little less... fat?

### Feifei

Huh! 你真的是个 barefaced cheek!

### Rob

Time to go, I think. Bye.

### Feifei

Bye.
