**Feifei**

大家好，欢迎来到 BBC 英语教学的《地道英语》节目。我是冯菲菲，还有 Rob。

**Rob**

Yes I am. Hello. And I'm feeling a bit peckish.

**Feifei**

Peckish? 你饿吗？

**Rob**

Yes, I am a little hungry.

**Feifei**

那录完节目后，你就可以去餐厅里 buy yourself a bite to eat。

**Rob**

A what?

**Feifei**

A bite to eat – a snack, a sandwich and a packet of crisps maybe. And can you get me something too, please?

**Rob**

No, I won't be doing that, Feifei. Not now that I'm a freegan. That means I don't pay for food - I only eat what's free.

**Feifei**

Right. Rob 说他是一个“freegan”，所以他只吃不用花钱买的食物。免费的午餐？还有这好事儿？ So how do you get it? Beg for it, steal it?

**Rob**

Of course not, Feifei. I just eat food that's been wasted – maybe thrown away by supermarkets or restaurants. I hate to see food being wasted.

**Feifei**

是的，浪费是非常不好的行为。这么说 **freegan** 就是指食用商店或人们抛弃的食品、以减少浪费的人？Wow Rob, this sounds like a good idea.

**Rob**

Yes. Let's hear from some other freegans in these examples – which are also free!

**Examples**

I'm trying to do my bit for the environment by reducing food that's thrown away, so I'm becoming a freegan.

My brother was so annoyed when he saw loads of food dumped in a bin at the back of the supermarket that he decided to collect it and give it to the homeless. I suppose you could call him a freegan.

Thrown away food isn't rubbish, it's free food! That's why I'm a freegan.

**Feifei**

这里是 BBC 英语教学的《地道英语》节目。在这集节目里，Rob 正在教给我们时髦词“freegan”的意思和用法。

**Rob**

And, Feifei, freegans like me, don't just eat free food - we give it to people who need it more than us.

**Feifei**

Rob, you've changed. Why are you now being so responsible and charitable?

**Rob**

I'm just a good person. Oh, and it's saved me loads of money.

**Feifei**

Ah, I get it. You're not being a good person – you're just being tight!

**Rob**

Tight – you mean not generous? Honestly!

**Feifei**

You're not a freegan, you are a freeloader. 你呀，就是个吃白食的人。Come on, admit it, Rob.

**Rob**

Erm, well, I'm just gonna go to the canteen. What was it you wanted? Oh and could you lend me some money to buy something please?

**Feifei**

Bye, Rob.

**Rob**

Bye.
