**Jiaying**

大家好，欢迎收听 BBC 英语教学的"地道英语"节目，我是佳莹。

**Roy**

… and me, Roy. Oh, I really like your jumper. Is that a vampire on the front?

**Jiaying**

Yes, it is! I slay!

**Roy**

I'm sorry? You do what?

**Jiaying**

I said that I slay. When you look this amazing, you are going to slay!

**Roy**

Whoa! Wait a second. Are you saying you're going to kill vampires? I thought they weren't real!

**Jiaying**

No, Roy! 你误会了，我知道动词"slay"有"kill（杀死）"的意思，但它还表示"看起来很酷、很精彩"或者"给人留下深刻的印象，让人赞不绝口"。比如：I read a book last night – it slays! 昨天晚上我看了一本书，它太精彩了！

**Roy**

So, you're not Jiaying the Vampire Slayer, then? Ha! That makes more sense! Well, your jumper is awesome. So, yes. It slays!

**Jiaying**

Exactly! Well, let's talk about more things that slay after these examples.

**Examples**
He looks amazing today! He's wearing a really smart suit – he slays!

Their house is incredible – decorated with true style and taste! And don't get me started on the furniture – it slays!

She really slayed last night at the award ceremony. She looked amazing!

**Jiaying**
你正在收听的是 BBC 英语教学的"地道英语"节目。以上，我们给大家介绍了动词"slay"除了"kill"以外的另一个意思和用法。如果某个人或事物"slays"，意思就是"这个人或事物看起来很酷、很精彩"或者"让人赞不绝口"。

**Roy**
Yes, for example, last night, I watched a great film about vampires. It slays! I think that was why I was so scared earlier!

**Jiaying**
Well, don't worry. Hey, do you know what else slays? My amazing smile!

**Roy**
Your teeth – they're really sharp! You have fangs! Wait! Are you a vampire?

**Jiaying**
我当然不是吸血鬼了。你上当了吧！这可不是我的真牙，它是用来装扮成吸血鬼的道具！你别说，看起来还真像那么回事。They slay!

**Roy**
Wow, that's the second time you've tricked me today! You're hilarious! What are you drinking?

**Jiaying**
Just a fruit smoothie! It's delicious! It slays!

**Roy**
It's really red! Are you sure that's a fruit smoothie?

**Jiaying**
Definitely – what else could it be? Mwahahahaha… Bye, Roy!

**Roy**
Bye!
